The Purpose of **Grandfamilies:**

What are **Grandfamilies?**

Grandfamilies, or kinship families, are families in which grandparents or other relatives are raising a child because the biological parents are unable to do so.

Grandfamilies need:

- **Support**
- **Education**
- **Resources**
- **Advocacy**

Our Services

- Education and support groups for caregivers and their children
- Links to community resources
- Ongoing family activities, education and respite
- Need-based therapy and guardianship assistance

Class Topics Cover

- Dynamics of kinship families
- Loss and grief issues
- Attachment issues
- Substance abuse and addiction
- Risk and protective factors for children

Children in kinship care experience:

Safety • Care • Support • Stability
