INPATIENT SERVICES
Wasatch Mental Health provides hospital services in Utah County at Utah Valley Regional Medical Center (Provo, UT), Mountain View Hospital (Payson, UT), Provo Canyon Behavioral Hospital (Orem, UT) and other Utah hospitals as needed to Medicaid enrollees.

PREP TEAM
Prevention and Recovery for Early Psychosis
1165 E 300 N, Provo, UT, 801-377-1213
Provides early intervention services for youth and young adults experiencing first episode psychosis. Services include individual therapy, family psychoeducation and support, supported employment and education, medication management and case management services.

PSYCHOLOGICAL ASSESSMENT (TESTING) SERVICES
750 N Freedom Blvd., Provo, UT
801-373-4760
Provides psychological and neuropsychological testing to assist in the process of diagnosis and treatment planning.
Established in 1967, Wasatch Mental Health is a public comprehensive mental health center providing a variety of services to the Utah and Wasatch County communities.

Wasatch Mental Health is staffed by licensed mental health professionals who specialize in mental health recovery. These professionals include psychiatrists, APNPs, clinical psychologists, marriage and family therapists, clinical social workers, clinical mental health counselors, adult and youth case managers, residential services staff, peer support specialists, family resource facilitators, parent mentors, care team assistants and a comprehensive administrative business staff.

Wasatch Mental Health provides outpatient services designed to meet the needs of children, youth, adults and their families. For admission information, see “Service Locations” and call the clinic nearest your home for an appointment or for walk-in times for Intakes.

Services include:
- Case Management Services
- Domestic Violence Intervention
- Treatment Groups
- Individual, Group and Family Therapy
- Medication Management
- Nursing Services
- Peer Support
- Psychological Testing, as needed
- Skills Development and Behavior Management
- Therapy and case management services to children and their families in specifically assigned schools

Wasatch Mental Health accepts most insurance plans including Medicaid and Medicare. We also provide language translation and interpreter services for individuals and families.

Services for Adults

INTENSIVE RESIDENTIAL TREATMENT SERVICES
1157 E 300 N, Provo, UT, 801-377-4668
An adult residential treatment program designed to help individuals who suffer from chronic mental illness by providing resources, services and opportunities as an alternative to hospitalization. Programs and support services include assessment, individual therapy, skill development, case management services and psychopharmacology. A prescriber makes rounds weekly and is available on-call 24 hours a day.

JUSTICE REINVESTMENT INITIATIVE (JRI) PROGRAM
For more information call: 801-852-3779
Provides appropriate aftercare planning and services for individuals after they have been released from jail to help increase their chances of successful independent living, thereby preventing their swift return to jail, homelessness or hospital emergency rooms. A typical plan includes individual and group therapy, medication management, educational services, employment training and housing placement.

UTAH COUNTY JAIL SERVICES
Provides the jail with therapists and prescribers who conduct mental health clinics and consultation services. The goal of these services is to ensure the mentally ill inmate’s stability while incarcerated and to prevent deterioration that might lead to harming himself/herself or others.

WASATCH ASSISTANCE TEAM
COUNSELING THE HOMELESS (WATCH)
999 E 900 S, UT, 801-852-3779
Provides individual therapy, medication management and case management services to adults who are chronically mentally ill, homeless and do not have traditional Medicaid, private insurance or SSI/SSA benefits.

Wasatch House
605 E 600 S, Provo, UT, 801-373-7440
Provides a strengths-based approach where treatment, vocational training and support are provided to individuals to regain their social skills, vocational skills and maintain psychiatric stability. Members work closely with staff in taking responsibility for various programs on-site including: food services, clerical, financial, thrift store, building and grounds and computer/data entry to improve their social and employment skills.

WASATCH HOUSE
